What We Do

TransitTech Solutions deploys **premium automated retail vending machines** stocked with essential tech accessories in the UK's busiest transit hubs. From train stations and airports to universities and hospitals — we ensure travellers and commuters always have access to the tech essentials they need.

Our Mission

Bridging the gap between traveller needs and instant access to quality tech — available 24/7, 365 days a year, fully contactless.

Where You'll Find Us

● Train Stations

High-footfall platforms and concourses across the UK rail network.

● Airports

Departure lounges and terminals where travellers need last-minute essentials.

● Universities

Student unions and campus buildings serving thousands daily.

● Hospitals

Main lobbies and waiting areas in NHS and private healthcare facilities.

Sustainable, quality electronics — not disposable alternatives.

Why TransitTech

What sets us apart in automated retail.

1 24/7 Availability

Our machines never close. Whether it's 3am at an airport or a late-night study session at university, essential tech is always within reach. No queues, no waiting — just instant access whenever you need it.

2 100% Contactless Payment

Every transaction is seamless and hygienic. We accept Visa, Mastercard, Apple Pay, Google Pay, and all contactless methods. No cash needed — just tap and go.

3 Sustainable Products

We're committed to offering quality electronics that last, not cheap disposable alternatives that end up in landfill. Better products, less waste, more value for the consumer.

4 Certified Quality

Every product in our machines meets UK safety and quality standards. We partner with trusted suppliers to ensure our customers receive reliable, tested accessories every single time.

5 Smart Inventory Management

Our machines use real-time monitoring to track stock levels and sales patterns. This means they're always stocked with the products your location needs most — minimising downtime and maximising revenue.

6 Dedicated Support

Our team provides responsive, hands-on support for both venue partners and end customers. From technical issues to partnership enquiries, we're always here to help.

Let's Work Together

Whether you're a venue looking to host a machine, or a brand wanting to partner — we'd love to hear from you.
